Euro Naturist

Promoting the European Naturist Lifestyle!

This website promotes the naturist/nudist lifestyle through information and pictures and to provide a complete resource for European naturists and nudists.

We have naturist information, free nude photo galleries, articles for woman naturists, features for smooth naturists and much more. We want to encourage others, especially young people and women, to enjoy the naturist lifestyle. Visit us frequently to see our latest features!

IMPORTANT NEWS

The **EuroNaturist_Personals** group on Yahoo, from which this site grew, was deleted by Yahoo on 5th Feb 2007. The group had been running for nearly 6 years with over 7,000 members. Yahoo frequently deletes groups that it doesn't like without warning and this time it was our group.

We are currently working on a new gallery and forum for this site which will also replace the old Yahoo group. This is taking longer than expected due to lack of time, but it will come soon. Apologies for not updating the site for a long time, we have all the pictures you have sent and they will appear!
